

TUMBLEWEED TALES SOCIETY

FEATURE POETS, WRITERS, ARTISTIC VOICES

*Each month or periodically,
Tumbleweed Tales proudly highlights
a feature poet, a special writer, an
artistic soul, or a songwriter.*

*Our goal is to invite the world to our
feature page to discover the fruits of
our labors: beauty, bravery, wit,
harmony, the power of new or old
words, inventions of our minds, joys
and pleasures of sounds,
the chords of creativity.*

*It is a world worth a moment of your
time. We dedicate this space to
recognize our selected best, featuring
a variety of genres. The spotlight is
on inspiration; the reward is
validation from your peers and those
beyond. This is a place of
appreciation for the gems of your
achievements.*

*Featured works are selected from
regional participants and submissions
from visitors all around the world.*

Enjoy!
