

PAHRUMP COMMUNITY LIBRARY

The **Poets of Tumbleweed Tales Society** thank the wonderful staff of Pahrump Community Library located at 701 East Street, Pahrump, Nevada 89048. They have all made it possible for us to come together to share poetry, stories, songs, artistic voice, visual arts, and ideas on the first Saturday of the month where we have been meeting since 2003.

We especially thank **Susan Wanderly, Director**. It is interesting to note, that when we thanked her, she in turn said, "*Thank you for bringing culture to the library.*" Yes, the people of the library have a very special place in our hearts; they are our friends. **Mandy Cafeo, Assistant Director** informs the public of our activities and events; **Vivian Owen, Reference Librarian** is our library liaison and main support for our poetry gathering; **Brenda Gibbons, Children's Librarian** always lends her Children's Storytelling Room to us. Each library staff member operates with grace, dedication, and caring which in turn has enabled us to launch programs such as *Shakespeare Readers Theatre* and *Shakespeare Made Simple* to further stimulate literary and cultural enrichment.

We know that we are not the only group who has experienced their great generosity and spirit of encouragement. However, we finally have a place to express this gratitude and joy.
